MODEL 601651165

COLLEGIATE VOLLEYBALL NET

Collegiate net is constructed of quality materials for easy set-up and meets or exceeds requirements for most levels of competition. Compatible with Gared model 5000, 7200, 7300, and SkyMaster series volleyball systems.

Net dimensions shall be 32' [9.75m] length and 39" [.99 m] width. Top of net shall have 2-1/2" wide vinyl coated polyester hem that is doubled stitched. Sides and bottom of net shall have 2" wide vinyl coated polyester hem that is double stitched. Net features include 5/8" [16 mm] diameter fiberglass stiffening dowel on each end to evenly tension the 4" [102 mm] square black nylon mesh for superior performance and durability. Free floating net along 5/32" [4 mm] diameter steel 7 x 19 cable with a 2000 lb [907 Kg] minimum breaking strength, allows for quick and easy centering of the net about the court lines. Six, white polypropylene straps with adjustable buckle hardware and Velcro are used to secure and tension the net. Loop patches on the net boarder allow for adjustable Antenna Sideline Markers to be easily attached. Markers sold separately.

ACCESSORIES;
6251	Buckle Covers, Set of (6)
6410	Antenna & Sideline Marker Set (2 Antenna, 2 Sideline Markers)
6412	Net Antenna (pair)
