Custom Length Net Information

In order to insure that your new custom net will fit your posts and court please provide the following information.

_____ Distance between floor sleeves (center to center)

All custom nets are manufactured to the distance between posts. Below is the standard custom nets based on sleeve dimensions. Check the appropriate box for your sleeve dimension.

Sleeve Distance	Net Length will be	Cable Length will be
30'	26'	27'-4"
31'	27'	28'-4"
32'	28'	29'-4"
33'	29'	30'-4"
34'	30'	31'-4"
35'	31'	32'-4"
36' (standard width)	32'	33'-4"
37'	33'	34'-4"
38'	34'	35'-4"
39'	35'	36'-4"
40'	36'	37'-4"

If your floor sleeves are of a different dimension than above or you require a different net or cable dimension please provide that information.

Sleeve Distance	Net Length (dowel to dowel)	Cable Length (end to end)

- Sleeve Distance is measured center of sleeve to center of sleeve
- NET length is measured dowel rod to dowel rod
- CABLE length is measured end to end.

Custom length nets are non-returnable, except for manufacturing defects during the 1 year warranty period. Custom length nets cannot be returned for being the incorrect size unless they are not manufactured at the dimensions provided above.

Please allow 2-3 weeks for delivery of your custom net. No order will be processed without this form and signature provided.
